propane

### Why is it needed?

Travel and ceremonies.  
Identifies you as part of Troop 1424.  
goes on tent floor to prevent things from falling through  
carry your stuff  
Padding; synthetic is quick drying  
sleeping comfort  
additional comfort on cot  
sleeping comfort  
for midnight toilet trips, etc  
make sure they are waterproofed  
quick dry, don't bring cotton  
quick dry, don't bring cotton  
warm weather  
quick dry, jeans are heavy and difficult to dry  
Rafting and swimming  
Cotton underwear + warm weather + walking = chafing  
warm weather, dries quick  
good place for dirty clothes  
rainsuits work better than ponchos  
don't sleep in your regular clothes (chiggers)  
mornings could be a little cool, could use rain jacket  
prevent sunburn  
compass course, available at Wal-mart, Academy  
big lamps draw flying bugs  
can use a water bottle  
don't waste a lot of cups  
  
quick dry; suggest 2 towels  
bath house should have some, but you never know  
sunburn, chapped lips  
  
chafing  
skeeters  
skeeters  
Suggest not more than \$50  
  
optional, but more comfortable than picnic table  
minor cuts and scrapes  
A Scout is reverent.  
to get things signed off.

coffee, hot chocolate  
cook food  
cooking  
food storage  
more light than electrics (optional)

Cell phones at camp just lead to homesickness. Don't ruin your scout (and Scoutmaster's) week.  
We had a scout show up at Webelos Woods last year with a sling shot and promptly shot someone, so it needs to be said. Don't even think it.  
I never carry a knife camping with more than a 2" blade. Large knives in small hands lead to big problems.  
Only service animals allowed.  
Can you say illegal?  
Can you say stupid and illegal?  
The camp will provide any necessary equipment and ammo.
